OPEN NORDIC MILITARY CHAMPIONSHIP IN AERONAUTICAL PENTATHLON 2015

UPPSALA – AIR WARFARE CENTRE – 22-26 June 2015

Notes to the results.

Medallists in male open team class

Due to a small bug in the program the team result for the Brazilian team only calculated the two best instead of three. This wasn´t observed until the prize giving ceremony was over during closing banquette. The organizing committee apologize for this blunder and the right order is is; FIN, BRA and SWE.

Shooting

New record in Nordic competition was set in both male and female class by Glenn Müller (186 p) and Idunn Assev (180 p).

Fencing

In the fencing competition it was the decided that all matches (i.e. including Lithuania, Turkey and Brazil) would count in the Nordic competition. A minimum of 21 matches is required in order to obtain a result and since there were 20 male competitors from the Nordic countries it was not possible to fence a second round due to time.

In the female fencing competition same rule applied even though number of matches from two rounds would end up higher than 21 without the Lithuanian participation.

Obstacle run

The ideal time in open class was 97 seconds and with only Nordic countries time ideal time was 96 s.

For ladies the time in open was s118 s and Nordic 118 s

Orienteering

The ideal time in open class was 51 min and with only Nordic countries time ideal time was 48 min.

Female open class 59 min and Nordic 58 min.

The results from obstacle and orienteering is slightly lower than in the open class but only the open class is presented on page

Difference in result between Open and Nordic

This circumstance didn't affect the over all competition except that Rosenlund (FIN) and Müller (NOR) changed places in the two classes from 8/9 to 12/11 respectively.
