Subject: Selection of the national football teams representing the continents at the 2nd CISM World Football Cup 2017 in Oman

Reference: CISM Board of Directors decision Ecuador 2014.

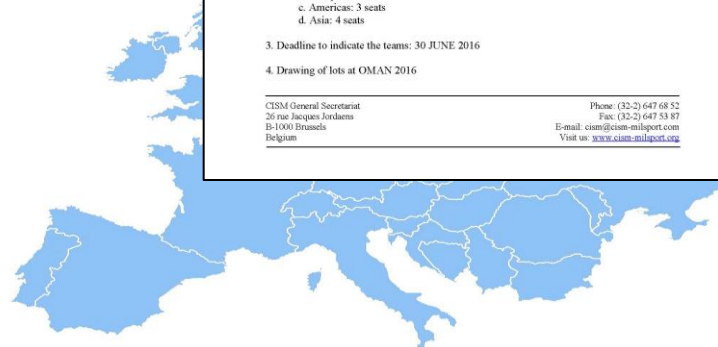

Dear CISM Continental Presidents,

With reference to the decision taken by the CISM Board of Directors, I have the pleasure to confirm you that the selection of the national football teams representing your respective continents at the 2nd CISM World Football Cup 2017 in Oman is now placed directly under your direct responsibility. This means in your respective continents, you have to organize a selection procedure, either a qualifying tournament, a continental decision or a drawing of lots. Whatever the selection method applied in your respective continents, I would like to remind you some important issues related to the project:

1. Automatically qualified teams:
 - a. IRAQ, as title holder (AZERBAIJAN) – pending BoD decision
 - b. OMAN, as host nation
2. Allocation of the seats: pending BoD decision
 - a. Africa: 4 seats
 - b. Europe: 3 seats
 - c. Americas: 3 seats
 - d. Asia: 4 seats
3. Deadline to indicate the teams: 30 JUNE 2016
4. Drawing of lots at OMAN 2016

Questions:

Which nations will take part in an European Championship and possibly in the football cup Oman?

Are there nations who want to play only the EC, but definitely do not want to take part in the football cup?

Please, inform your European Liaison Office asap !!

CISM Military World Championship Football (Female)

Proposal:

Change of implementation cycle ➡ All 2 years like men's football
(*between on regional level*)

Reason:

- Teamsport – expensive (transport, flights,...),
- Currently completed development of women's football (see statistics),
- Establishing women's football achieved,
- Avoiding 2 world championships in football in one year,
- i.e. 2016 – 2018 – 2020 – 2022
(2019 MWG)
