Strategic Goal 1

**“Provision of a robust and
relevant sports program”**

**“We did not find that “integrated”
really encompassed the
importance of a sports program.”**

OLD OBJECTIVES:

- 1. 1. Increase number of nations and athletes participating in CISM sports program.

Why, we lack resources, let us focus instead

- 1.2. Enhance quality of CISM competitions

Too self evident any organizer will think so

- 1.3. “Be established as the world leader of military sports programming and be recognized by the International Sports Federations.

1. Already done ---- 2. Why this ambition focus on what CISM is aboutmilitary sports.

CISM NEW OBJECTIVES TO FOCUS CISM:

1.1. Facilitate conditions to enhance participation in the core sports of CISM, the 3 military Pentathlons.

1.2. Facilitate conditions to enhance participation in the other military related sports like shooting, orienteering and parachuting.

1.3. Adjust number of sports and Championships to reflect the resources available in CISM and the member countries.

1.4. New focus on sports events for disabled veterans.

1.5. Develop military relevant regulations (i.e. parachuting)
