

## **Working group 4**

# **Strategic Goal CISM Governance Structure**

colonel Borko Simoski M.A.

**Atina, 2014**

## Conclusions

- 1 Change the governance structure of CISM according money, time, environment, requirements, space.  
Transformation for stronger and more effective CISM structure.**

## **Conclusions**

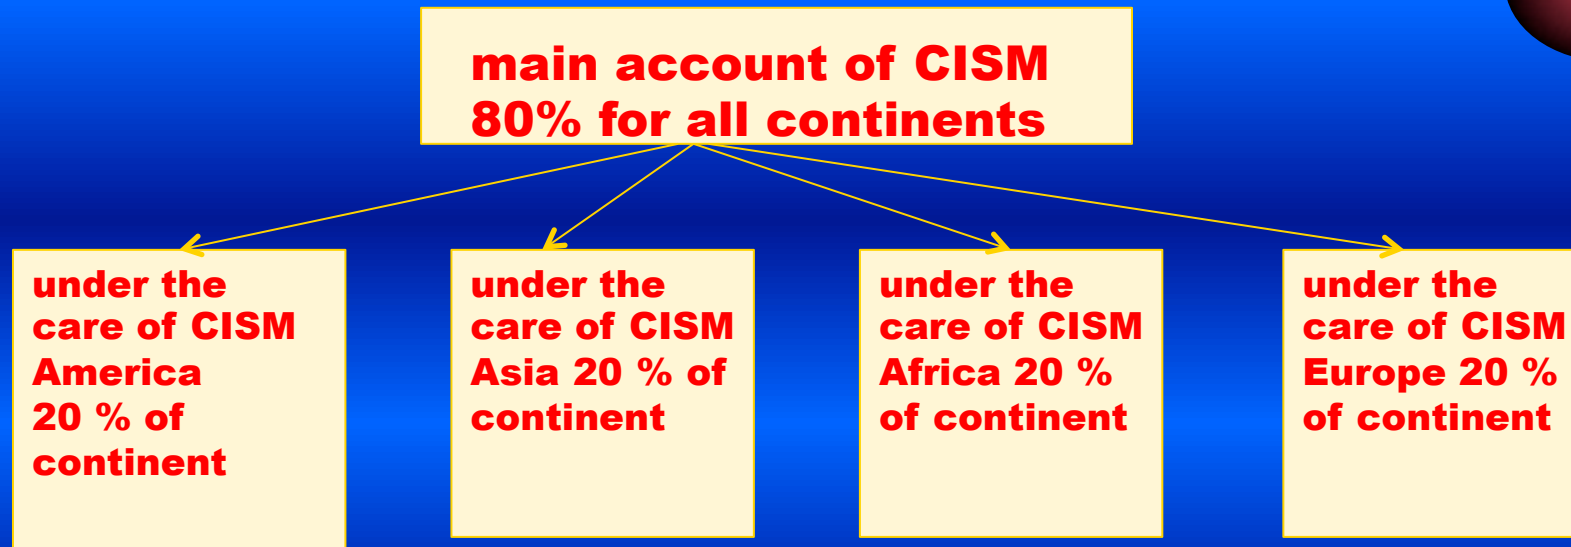

- 2. We propose to assign a commission in order to analyze current governance structure of CISM HQ ( Secretary General vs Chief of Staff), Strongest continental liasion offices, increased power and tasks of VICE-PRESIDENT.**
- 3. Improve solidarity activities (request like clearing hose) Financing sport infrastructure, support of athletes (seminars, training camp, marketing)**

# Conclusions

**4. Transformation about CISM resources, especially the division of the budget fee. 80 % for CISM HQ 20 % for continental CISM.**

## Example

- Policy on use of budget
- increased responsibility for VICE-PRESIDENT
- increase the authority of VICE-PRESIDENT
- Improving collaboration in continental level
