A. Only military personnel on active duty in Armed Forces may take part in competitions organized by CISM.

B. No one may be recalled to active duty in the Armed Forces for the purpose of participating in a CISM competition. ## **FINAL ENTRY - COMMITMENT BY THE CHIEF OF MISSION**

To be returned by: 20 June 2016

### B. Conduct of a mission

1. The Chief of Mission is responsible for the behavior of his team in sports and general discipline. He shall ensure that members of his mission respect the rules and directives prescribed by CISM and organizers of the championship. The respect of schedules is particularly important as they form the basis for the effective conduct of competitions and ceremonies. Instances of indiscipline or poor sportsmanship will be handled by Championship officials and may result in the disqualification of individual athletes or teams.

2. The Chief of Mission shall also enforce the rules concerning behavior and dress during the ceremonies. He plays an important role in promoting the CISM spirit among his mission, a spirit represented by friendly attitude towards other missions, courtesy towards organizers and fair-play in competition. The mission, who does not wear military uniforms during the opening ceremony of a Championship, will not be authorised to take part in the Championship. The Official CISM Representative will communicate this decision.

### **Article 8.6. ABSENCE OF A MISSION WITHOUT NOTIFICATION**

If a mission which submits a preliminary agreement and/or final entry is absent without notifying the host nation in time, a sanction will be imposed (Regulations Art. 1.12).

### **Article 8.17. RULES OF STAY**

#### A. General

1. The Chiefs of Mission are responsible for the discipline of their mission. The missions fall under the jurisdiction of the organizing nation. During events, all athletes present on the playing fields are equal before the jury, the referees and to themselves. No one may use his rank to impose his views on sports matters.

2. Civilian members of the missions shall conform to the discipline accepted by all other participants.

#### B. Military uniforms

1. Unless otherwise approved by the Official CISM Representative, all participants shall wear military uniform during official ceremonies such as the opening and closing ceremonies and medal-awarding ceremonies. **Individuals without proper uniform will not be allowed to participate in the championship.**

2. The presentation of medals takes place, in principle, during the closing ceremony. The presentation of medals may be done in sports uniform, if for organizational reasons it is not possible to wear military uniforms. This is the case e.g. when the presentation immediately follows a championship sports event. Sports uniforms shall respect the corresponding national criteria (training suit, sports shoes, etc.) Displaying the national flag on the podium by the recipient (athlete or team) at a medal awarding ceremony is forbidden. Individuals failing to respect these prescriptions shall not receive their medal(s) during the official ceremonies.
