To: The Chief of Delegation of Brazil and Ecuador.

Subject: Pre-Competition Training Camp in Aeronautical Pentathlon (Prior Open NMC AP 2018).

Dear Chiefs of Delegation,

The Swedish Armed Forces (SAF) will arrange Open Nordic Military Championship (Open NMC) in Aeronautical Pentathlon (AP) during the period of October 8th to October 12th 2018 where teams from Your country are invited to participate.

On behalf of the SAF I have the honour to invite teams from Brazil and Ecuador to arrive prior to the competition date due to the long journey and time zone difference in order for You to acclimatize and perform on top during the championship. The SAF AP team will arrange training possibilities for You.

Your option is to arrive earliest from 29th of September and latest departure at 14th of October in order to find the best available flight connection. During the training camp and the competition the participating delegations are the guests of the SAF and will receive room and board at the organizer's expense.

Preliminary and final agreement according to standard procedure according to previous invitation.

Lt Col Sven Antonsson
Chief of Swedish Delegation to CISM
