COUNTRY

The undersigned, Chief of Mission declare that he has read the **CISM Regulations** and moreover understood the following prescriptions:

1. PARTICIPATION & MILITARY STATUS (in compliance with Article 7.21)

- A. Only military personnel on active duty in Armed Forces may take part in an event organized by CISM.
- B. No one may be recalled to active duty in the Armed Forces for the purpose of participating in this CISM event. In the case of an intermittent military service, the athletes regularly recalled may not take part, under any circumstances, if more than 18 months have elapsed between this recall and the end of their last call to arms.
- C. The following exception to the above was authorized by the General Assembly, upon recommendation of the Board of Directors:
 - For the Disability-Sport programme exemption from the status of Active Duty will be made. Accepted are athletes who got wounded, injured, and/or ill during the time of military service.
 - The training programme is limited to athletes with a certified physical handicap allowing an unassisted accomplishment of a Para-Ski Nordic competition at the 4th CISM WWG 2021.
- D. All participants in this CISM event shall be in possession of proper documentation which signifies (former) active military service of the member nation he or she represents. The documentation can be:
 - 1. A valid military identity card for those athletes, who are authorized to present their military identity cards abroad,
 - 2. A form of verification (in English and/or French) of (former) military status accompanied by a passport.
- E. **By signing the final entry, the Chief of Delegation confirms the (former) military status of the participating athletes.** If there are last minute changes in the participation of the athletes, the verification file may be signed by the Chief of Mission, but shall be confirmed by the Chief of Delegation by official letter.
- F. If one of these documents is not available, participation is refused.

2. ABSENCE OF A MISSION WITHOUT NOTIFICATION (in compliance with Article 8.6.)

If a mission which submits a preliminary agreement and/or final entry is absent without notifying the host nation in time, a sanction will be imposed (Regulations Art. 1.12).

3. RULES OF STAY (in accordance with Article 8.17).

- A. General
 - 1. The Chiefs of Mission are responsible for the discipline of their mission. The missions fall under the jurisdiction of the organizing nation. During events, all athletes present on the playing fields are equal before the jury, the referees and to themselves. No one may use his rank to impose his views on sports matters.

 2. Any contravention shall result in the exclusion of the mission from further participation and may result in additional sanctions (Regulations Art. 1.12).

5. Article 8.19. ACCOMODATIONS

- E. All missions, including those of the host nation, shall be accommodated under the same conditions. If the conditions are in accordance with the CISM norms and standards, the missions are expected to accept the accommodation provided by the organizing nation.
